- We continue to hold weekly workshops and site visits on how to build wealth through real estate investments. The weekly workshops and site visits target both investors looking to invest in real estate directly and those interested in high yield investment products to familiarize themselves with how we support our high yields. Watch progress videos and pictures of **The Alma, Amara Ridge, The Ridge, and Taraji Heights**. Key to note is that our cost of capital is priced off the loan markets, where all-in pricing ranges from 16.0% to 20.0%, and our yield on real estate developments ranges from 23.0% to 25.0%, hence our top-line gross spread is about 6.0%. If interested in attending the site visits, kindly register [here](#)
- We continue to see very strong interest in our weekly Private Wealth Management Training (largely covering financial planning and structured products). The training is at no cost and is open only to pre-screened participants. We also continue to see institutions and investment groups interested in the trainings for their teams. The Wealth Management Trainings are run by the Cytonn Foundation under its financial literacy pillar. If interested in our Private Wealth Management Training for your employees or investment group please get in touch with us through wmt@cytonn.com or book through this link [Wealth Management Training](#).
