- We continue to hold weekly workshops and site visits on how to build wealth through real estate investments. The weekly workshops and site visits target both investors looking to invest in real estate directly and those interested in high yield investment products to familiarize themselves with how we support our high yields. Watch progress videos and pictures of **The Alma, Amara Ridge, The Ridge, and Taraji Heights**. Key to note is that our cost of capital is priced off the loan markets, where all-in pricing ranges from 16.0% to 20.0%, and our yield on real estate developments ranges from 23.0% to 25.0%, hence our top-line gross spread is about 6.0%.
